Maureen, I just got off the phone with John Marriott. I endorsed and sold TCC and AURA hard. John had actually lots of questions for me, which I answered in the best light possible. Wish I was there tonight and Wish you and the Mayor the best!!!

Yikes Maureen just remembered TCC tonight. I am in San Diego unexpectedly until tomorrow do you want me to crank out a letter of support in the next 30 minutes? Will be happy to do so. Wish you guys the best of luck, heard from some of the business they didn't want to lose the views which I pointed out was crazy because of the 3-4 million in retail those residents will spend at the 25 core businesses in old town every year.
