

• Council Voting

- McGroff = Yes - each modification is reasonable, fully supportive of staff. Meets intent of plans.
- Miller = Yes - respect prior council & citizens smart growth, Open Space - Compatible w/ Olde Town.
- Mariott = decade of planning, respect, economic addition to Olde Town, more housing to help a tight market.
 - = Height & Views = minimize impacts
 - = Negative = parking - Problem for residents.

* Amendment to proposal - 25 more parking spaces, or reduce bedroom by 15. ⊕ Bring up parking ratio

- All these conceivable? Bill =

• Fifer:

- More - trust the developer's assessment on parking ratio, damage view corridor
vote: 6-1 fails

• Fifer = Yes - parking OK - future of transit, mass & scale of project. Intent of framework. Step affect of high stories. Doesn't comply. Grand View

• Ford = No - forward thinking - framework plan, Grand-View future traffic on Sixth

• Jones = No - Compatibility - Olde Town north of project. not concerned about parking. Like the units on Vaneer St. Destruction of Sixth.

- Height exception = mitigate adverse impacts
